2011 ADSA AWARDS

The 2011 Joint Annual Meeting of the American Dairy Science Association and American Society of Animal Science convened July 10 through July 14, 2010, at the New Orleans Morial Convention Center in New Orleans, Louisiana. Over 3,000 attendees representing nearly every country in the world attended the Joint Annual Meeting.

The meeting hosted more than 46 symposia, over 2,245 oral and poster presentations, and 100 commercial and educational exhibits. Among the many special events were opening and closing sessions, annual general meetings for each of the host societies, spouse tours, several special breakfasts for university alumni, award ceremonies, and an old-fashioned ice cream social.

Listed below are the winners of the 2011 American Dairy Science Association Awards.
