

## 2008 ADSA AWARDS

The 2008 Joint Annual Meeting of the American Dairy Science Association and the American Society of Animal Science convened July 8 through July 12, 2008 at the Indiana Convention Center in Indianapolis, Indiana. Over 3,000 attendees representing nearly every country in the world attended the Joint Annual Meeting.

The meeting hosted more than 40 symposia, over 1,700 oral and poster presentations and 136 commercial and educational exhibits. Among the many special events were opening and closing sessions and an international reception; annual general meetings for each of the host societies; a 5K Fun Run; spouses' tour; several special breakfasts for university alumni; award ceremonies for ADSA, and ASAS; the ADSA Town Hall Meeting; the annual ADSA auction, and an old-fashioned ice cream social.
