The 2009 Joint Annual Meeting of the American Dairy Science Association, Canadian Society of Animal Science and American Society of Animal Science convened July 12 through July 15, 2009 at the Palais des congrès in Montreal, QC, Canada. Over 2,500 attendees representing nearly every country in the world attended the Joint Annual Meeting.

The meeting hosted more than 37 symposia, over 1,900 oral and poster presentations and 87 commercial and educational exhibits. Among the many special events were opening and closing sessions; annual general meetings for each of the host societies; a spouses' tour; several special breakfasts for university alumni; award ceremonies; the ADSA Town Hall Meeting; the annual ADSA auction, and an old-fashioned ice cream social.
