

### **Who Should Attend?**

Research scientists, nutrition consultants, producers, companies marketing direct fed microbials and prebiotics, advanced graduate students, feed company representatives, pet food company representatives, food company representatives, government/regulatory agency reps, international academic scientists, postdoctorates and veterinarians are encouraged to participate in this interactive program.

Registration postmarked by March 19, 2009 is \$395.00, which includes sessions and most meals. After March 19, the registration fee will be \$495.00 and will be accepted on an availability basis. To optimize interaction among participants, registration will be limited to the first 120 applications received.
