Spring 2011

A Note from the SAD President...

Hey y'all! I hope the spring semester is going great for everyone.

Now that we all have regional meetings in the rearview mirror, it is now time to look towards the upcoming national meeting. From what I have heard, all of the meetings were a success. Congratulations to all of the award winners from regional competitions.

Your officer team has been hard at work planning this summer's meeting and has an exciting time in store in New Orleans. A few of the events will contain an authentic Cajun Swamp Tour on Saturday afternoon, an informal social event that night, and a dance scheduled for Monday night. We also made sure to integrate plenty of free time to explore this historic city. Mark your calendars now for July 9th through the 13th in New Orleans!

Finally, I would like to wish everyone a great second half of the semester, and invite everyone to New Orleans to enjoy the education, fellowship, and camaraderie that defines ADSA.

Laissez les bon temps rouler! (Let the good times roll!)

Jake Anderson
President ADSA-SAD

University of Wisconsin – River Falls

Dairy clubs from across the Midwest gathered February 25-26 for their annual meeting hosted by the University of Wisconsin – River Falls. With a large representation by the majority of dairy clubs throughout the Midwest, all in attendance were excited to reunite with their old friends and looked forward to meeting many new ones from the dairy industry at the “Heroic Seven in 2011” event.

The event kicked off Friday evening with the dairy quiz bowl competition and the club display board contest. As the night progressed, students enjoyed a comedy show by Comedysportz, where many laughs were shared. Rounding out the night was the ever-popular karaoke contest, which gave the dairy clubs the opportunity to entertain each other by remixing popular songs to industry related lyrics.

It was time to get down to business as Saturday approached, and students were treated to a number industry related workshops ranging from human resources on the dairy farm to several dairy production related courses. All workshops were presented by industry professionals and proved beneficial to students as they explore their career paths in the dairy industry. The weekend was completed with an awards banquet honoring clubs for their achievements throughout the year, as well as a dance to celebrate the successful weekend.

Congratulations to the University of Wisconsin –River Falls Dairy Club on a successful annual meeting! Your hardwork and dedication to ADSA is greatly appreciated. Midwest dairy club students look forward to the 2012 annual meeting, to be hosted by the University of Illinois.
