PREPARATION GUIDELINES FOR ORAL PRESENTATIONS — LCD

Collection of PowerPoint Files Prior to Meeting
Each room will be equipped with a computer and an LCD projector. Again for 2008, in an effort to maximize efficiency onsite and to avoid possible technical issues, we will be collecting PowerPoint files for oral presentations only prior to the meeting. After all presentations have been collected, they will be distributed to the appropriate program chair on site prior to the start of the session. To ensure a smooth presentation, it is critical that you read and follow the instructions provided. Click the link provided below for detailed instructions for creating and submitting your presentations. http://www.adsa.asas.org/midwest/2008/insppt.htm

Upload Process
Presentations must be submitted electronically through our upload site at: http://www.fass-abstracts.org/meetinginfo.asp?meetingcode=130
This is the same application used to submit the meeting abstracts. Select the “Login and Manage Abstracts” Link and be sure to use the same account login information that was created at the time of submission. If you do not recall this information, use the “forgot password” link on the login page. Once you are logged in, click the “add/manage documents” link for your abstract in the table to go to the upload page. If you are an invited speaker AND you did not upload an abstract, please upload your presentation here:
http://www.fass-abstracts.org/invited_papers/?meetingcode=130

Upload Deadlines
The deadline for final presentations to be submitted is: Monday, March 10, 2008 11:59 PM, Central Standard Time
By using the upload site, PPT files will be linked to the already submitted abstract. Editing will not be allowed on existing abstracts.
There is not a file size limit for uploading presentations, but please be aware that uploading large files will be hindered by connection speeds.

All presentations must be uploaded in PowerPoint format on or before Monday, March 10, 2007 11:59 PM Central Standard Time.

POSTER SESSIONS
All posters will be in the Convention Complex, Exhibit Hall, Room 206 from Monday 1:00 PM until Wednesday, Noon. See each session to find out when authors are to be present.
