Outstanding Student Affiliate Member

Each year the Student Affiliate Division of ADSA seeks nominations for the Outstanding SAD member and advisor. ADSA provides a $300 cash award and plaque for the Outstanding Student Affiliate Member. The Outstanding Advisor receives a plaque. Each school is encouraged to nominate one student and one advisor. The SAD Third Vice President oversees the competitions and the SAD Second Year Advisor assists.

Student Nomination Procedure:

1. Indicate your participation in this contest on the new online ADSA-SAD Competition Entry Form at https://adsa_sad_entry_form.eventbrite.com
2. Applicants should complete the Outstanding Student Affiliate Member Nomination Form.
3. Nominations should include 3 written recommendations to accompany nomination form from the following:
   - from the nominee's local dairy club advisor
   - a faculty member
   - the President of the club (If the President is nominated then the Vice President would write a letter of recommendation.)

Interviews will take place at the annual meeting, so we require that the nominee attend. Nominees should register for the student awards luncheon where the award will be presented, as well attend the ADSA Awards program where they will be recognized before the entire ADSA membership.

One selection committee will be chosen to judge both Outstanding Student and Outstanding Advisor. The committee will consist of three judges, preferably two faculty members and one student present at the annual meeting and representing three different chapters. All nominations must be identified by the name of the nominee and the university making the nomination.

Please indicate participation and send all nomination materials by May 1. Please note: competition materials received after the stated deadline will be accepted, but clubs will incur a 5-point late deduction on the Outstanding Chapter Award Scorecard.
The American Dairy Science Association  
Student Affiliate Division  
OUTSTANDING STUDENT AFFILIATE MEMBER NOMINATION FORM

Name: ________________________________________________________________

Address: ______________________________________________________________

University: ______________________ Year: ____________________________
