SAD and GSD Dairy Tour
12:00 – 5:00 pm
Milking R Dairy in Okeechobee, FL
Buses will depart from Hyatt Place West Palm Beach (student headquarter hotel)
The Rucks family has been milking cows in South Florida since the mid-1930s. Today, Milking R Dairy owners Sutton and Kris Rucks milk 1,200 cows in Okeechobee and operate a successful agritourism program. Their dairy is National Dairy FARM Program certified, which proactively addresses the concerns of consumers, retailers and processors who are interested in how their food is produced. This on-farm audit assesses areas including animal care and wellness, environmental stewardship, employee training, milk safety and milk quality. The Ruckses are committed to the educating the South Florida community about the integrity of production practices and benefits of technology use in the dairy industry. They tell their dairy story through exposure to daily life on a large and modern farm-engaging the tourist in interactive and enjoyable experiences at Milking R Dairy. Students, both undergraduate and graduate, are given first opportunity. Tour will be offered to professional members on a remaining availability basis.

SAD Undergraduate Student Hospitality Room
6:00 – 7:00 pm
