ADSA/ASAS Joint Annual Meeting in Montreal, Quebec Canada. (SAD activities begin with a tour on Saturday, July 11 and wrap up on Tuesday, July 14 after the banquet)

A Note from the SAD President...

Hello Everyone!

I hope everything is going well as spring approaches. Your ADSA-SAD officer and advisor team is still hard at work planning for the upcoming annual meetings in Montreal. I would like to take this opportunity to once again invite you and your fellow dairy club members to join us July 11-14, 2009 in Montreal, Canada. The meetings should be full of excitement as we kick off on Saturday with tours of some local Canadian dairies, followed by a boat cruise on the St. Lawrence River, and finally a time to mingle with others while enjoying a fireworks show. Sunday will host our quiz bowl contests and a mid-day mixer to get to know your new national officer candidates. We will hear from a record number of students presenting dairy foods, dairy production, and original research papers on Monday, and Tuesday will conclude with a career symposium and SAD awards luncheon. We are all very excited about the opportunity to visit Canada and meet fellow dairy enthusiasts from around the world. Please begin making plans now for hotel and travel arrangements. Also remember that passports will be required for this trip. More information can be found by visiting [www.adsa.org/sad.asp](http://www.adsa.org/sad.asp). We hope to see you all in July!

Sincerely,
Emily Waggoner

Reminder all students participating in ADSA-SAD Meetings must complete a Code of Conduct form for the year. If your students completed one for the regional meetings, there is no need to complete another for the national meeting.

**S-PAC for Students:**
S-PAC is a valuable resource that provides access to fully searchable proceedings of top industry animal conferences. Many instructors are already requiring that students in their classes subscribe to it, just as they would buy a book. If you are not familiar with the service, you can give it a try - a 5 day sample subscription is only $5 for professional members. Go to [www.adsa.org](http://www.adsa.org) for more information.

A subscription to S-PAC is only $5 for undergrads, $10 for grad students.

From there, we’ll move on a couple of blocks further to Rue Crescent (Crescent Street). There you’ll find some of the best dance clubs, pubs, and more. Message from the Midwest

Celebrating with the Magnificent Seven dairy breeds, the 2009 Midwest ADSA-SAD Conference was one to be remembered. Dairy science students from across the Midwest were corralled in Fargo, North Dakota, on February 27th-28th. Students spent the weekend participating in competitions, listening to speakers, and networking with peers. Attending this year’s events included North Dakota State University, South Dakota State University, Kansas State University, Ohio State University, Purdue, University of Illinois, University of Minnesota-Crookston, Iowa State University, University of Wisconsin-Madison, University of Wisconsin-River Falls, and the University of Minnesota-Twin Cities.

The events started Friday with several intense shootouts in the dairy quiz bowl preliminaries and the opening session. Welcoming everyone was this year’s host North Dakota State University and the 2008-2009 Midwest officer team. Dr. Greg Lardy, NDSU Beef Extension Specialists, and Dr DC Coston, Vice President for Agriculture and University Extension, were keynote speakers for the opening session. This year’s candidates for regional officers were also introduced. After the opening session, club members rushed to their rooms and prepared for the karaoke contests. Wearing cow costumes, overalls, and matching shirts took stage to show the world what they were made off, and after the dust settled, Iowa State University was named this year’s champion.

Saturday morning students gathered to watch quiz bowl finals. After the last buzzer sounded University of Wisconsin-River Falls was named champion of the junior division and University of Illinois was named champion of the senior division. Next students traveled to campus for a morning filled with seminars on all aspects of dairy production, how to communicate with consumers, and of course a few rounds of The Matching Game dairy style. That afternoon members voted on the new officer team and next year’s host location. The 2009-2010 officer team is Londa Johnson president, Mike Donnelly vice president, Ashley Sprengeler secretary/treasurer, and Kaleena Westaby officer at large. Next year’s conference will be hosted by South Dakota State University in Brookings, South Dakota.

The final banquet included keynote speaker Ed Schafer, former Secretary for Agriculture, and Larry Tande, Vice President of Holstein Association, USA. Winning various competition areas included Iowa State University for best scrapbook, University of Minnesota-Twin Cities for best overall yearbook, Iowa State University for best electronic yearbook and website. Purdue University won the club display division. Ohio State University won the farthest traveled award, and University of Minnesota-Twin Cities had the largest chapter in attendance. Participants danced the night away and enjoyed building new friendships and connections for years to come.

If you have information you’d like to post to the Pipeline, contact Molly Kelley at kelleymt@aol.com. The Pipeline is posted twice each year, once in the fall and once in the spring. Deadline for submissions are November 1 and March 1.
